

# TROUBADOUR CLUB TECH SPEC

The Troubadour London is the first venue in Europe to install Martin Audio's TEC award winning CDD LIVE-12 as the venues main top boxes. Supported by two Martin Audio PSX Compact 15" Sub-Woofer's, The Troubadour London has more sound system for its capacity than any other venue in Great Britain. Designed, installed and implemented by Europe's most trusted LMC Audio, the clarity of the sound in this room is unmatched.
